Bricks, Blocks & Aggregates

Range and ordering details

Masonry & Paving Units	3 lines	**Page 3**
Kerbs, Sand & Crushed Stone	3 lines	**Page 4**

Trade and supply terms

Order & pricing	Send the product codes, size or grade, order unit and quantities. Confirm availability, price, minimum order and lead time on the quotation.
Samples & approval	Request a finish sample, production sample or technical submittal where applicable. Agree the acceptance criteria before ordering.
Packing & marking	Agree pack or loading method, units per pack, weights and lot marking. State any labelling or country-of-origin requirements.
Delivery & payment	Give the site or depot address, delivery windows, unloading access and any staged release requirements.
Documents & testing	List the applicable project or destination standard and required reports. Confirm the documents available for the quoted model or lot.
Delivered quantity	Confirm the dispatch point, weighbridge or piece-count basis, delivery frequency, unloading responsibility and acceptance checks.

Specification notes

Send the proposed delivery address and access conditions. Confirm freight, unloading and availability for the required quantity and schedule.

Bricks, Blocks & Aggregates

Masonry & Paving Units

State unit size, finish, quantity and the performance classes required by the project specification.

SP-CM-MAS-001

Clay Bricks

Form · Fired clay masonry bricks
Quote unit · Piece or pallet
Order spec · Size, appearance, grade and tolerance

Specify solid or perforated form as applicable. Request the project-required strength and absorption reports for the proposed lot.

MOQ by quote Email WhatsApp

SP-CM-MAS-002

Concrete Blocks

Form · Solid or hollow concrete masonry units
Quote unit · Piece or pallet
Order spec · Unit size, density and strength class

Provide the block schedule and hollow or solid designation. Confirm the required tolerance, finish and project test documents.

MOQ by quote Email WhatsApp

SP-CM-MAS-003

Concrete Pavers

Form · Precast interlocking and paving units
Quote unit · m² or pallet
Order spec · Shape, thickness, colour and edge

State layout pattern, project application and matching colours. Confirm pieces per square metre and any required test reports.

MOQ by quote Email WhatsApp

Bricks, Blocks & Aggregates

Kerbs, Sand & Crushed Stone

Send the kerb section or aggregate grading and specify where the load will be delivered.

SP-CM-MAS-004

Precast Concrete Kerbstones

Form · Straight or shaped precast kerb units
Quote unit · Piece or linear metre
Order spec · Section, length, finish and geometry

Attach the kerb drawing for straight, radius, dropped or transition pieces. Confirm packing and unloading arrangements.

MOQ by quote Email WhatsApp

SP-CM-MAS-005

Construction Sand

Form · Graded fine aggregate enquiry
Quote unit · Metric tonne or cubic metre
Order spec · Source, sieve grading and moisture basis

State the intended mortar, concrete or fill specification and whether washed sand is required. Confirm the delivery basis.

MOQ by quote Email WhatsApp

SP-CM-MAS-006

Crushed Stone Aggregates

Form · Screened crushed stone for project supply
Quote unit · Metric tonne or cubic metre
Order spec · Nominal size, gradation and source

Provide the aggregate schedule and allowable fines or other test limits. Confirm the weighbridge and load delivery terms.

MOQ by quote Email WhatsApp
